Shubhangi is a professional singer, composer and recording artist based out of Mumbai, India.

She has been singing & recording from an early age and has explored various facets of music as a performer, session & voice over artist, playback singer, internationally acclaimed music education professional, vocal coach & voice restorer.

She completed her music education from the London College of Music where she received a diploma in contemporary Western Popular Music & is also trained in the intricacies of Hindustani Classical Vocal music.

Shubhangi has done playback singing for Bollywood Music Director Himesh Reshammiya ji on the song “Catch Me If You Can” from the film “Xpose”. The track also features singers Mika, Mohit Chauhan, Neeti Mohan & Shalmali Kolgade.

Shubhangi’s voice can be heard in ads for brands like Amity, Bonitos, Kamdhenu, Springfit mattresses, Banish shoes, Nun, Tacfab.

Shubhangi has been a consultant Master Trainer for the British Council’s World Voice Project.

Shubhangi has explored genres and styles as diverse as Hindustani classical, Rock, Pop, Metal, Funk, RnB, Jazz, Western Classical & folk music from across the globe & incorporates all these influences in her Live performances.

Shubhangi has extensive experience in the studio and as a live performer, having performed in various festivals, concerts & venues such as the O2 stage in Islington, London; Manchester University; Kamani Auditorium; Governors’ residence, Meghalaya; Lotus Temple Auditorium; Festivals stages in Russia & Malaysia and various other venues in India and abroad.

Shubhangi & her stellar band are a scintillating Live act as they recreate memorable tunes of yesteryears and the popular tunes of the day in their own unique style.
